

ALPHA LIPOIC ACID 300 MG

METABOLIC ANTIOXIDANT SUPPORT

- Provides antioxidant protection inside and outside the cell
- Therapeutic dosages (600 mg) have been used in Europe for years
- Increases sugar/carbohydrate absorption
- Vegetarian / Vegan formula
- Gluten Free
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish or fish.

Because Alpha Lipoic Acid assists in breaking down sugars for energy, in higher doses, it supports healthy blood sugar levels. It is both fat and water soluble, and in addition to its inherent antioxidant properties, it also 'recycles' Vitamin C, E, CoQ10 and Glutathione. Our bodies make a small amount, but adequate antioxidant levels must come from diet (such as leafy green vegetables) and supplementation.

PRODUCT SPECIFICATIONS
