

N-ACETYL CYSTEINE 600mg

- Promotes heart health
- Supports immune function
- Protects the body from toxins
- Strengthens hair and nails
- Increases glutathione production
- Vegetarian
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish or fish.

N-Acetyl Cysteine (NAC) is a form of the amino acid cysteine. NAC is used in the body to make glutathione peroxidase - one of the body's most naturally occurring antioxidants. NAC raises glutathione peroxidase levels in the body better than taking glutathione alone.

Taking NAC is more cost effective than taking glutathione.

PRODUCT SPECIFICATIONS

- McGuff Item #006326
- Count Size: 60 Vegetarian capsules per amber glass bottle
- Full bodied tamper-evident sleeves
- Expiration date to guarantee freshness
- Sold individually or in cases of 6 and 12 units
