## **EVENING PRIMROSE OIL**

- Contains both LA (linoleic) and GLA (gamma-linolenic), both known as omega-6 fatty acids
- Helps with PMS symptoms
- Supports skin, cell, heart and nerve health
- Cold pressed and hexane free
- Non GMO, herbicide and pesticide free
- Processed according to pharmaceutical standards
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish or fish.

Evening Primrose Oil provides gamma-linolenic acid (GLA), linoleic acid and other important fatty acids. Evening Primrose Oil is the most researched source of GLA. GLA helps ease the discomforts of PMS.

All of the fatty acids in Evening Primrose Oil play a major role in maintaining heart, skin, cell membrane and nerve health. As a supplement, it can offset the body's declining ability to convert linoleic acid into gamma-linolenic acid. Our Evening Primrose Oil is non-GMO (not genetically modified).

## PRODUCT SPECIFICATIONS

- McGuff Item #004827
- Count Size: 90 softgel capsules per amber glass bottle
- · Full bodied tamper-evident sleeves
- · Expiration date to guarantee freshness
- · Sold individually or in cases of 6 and 12 units
