

# GLUCOSAMINE CHONDROITIN MSM

- Regenerates cartilage and prevents further breakdown
- Supports elasticity and fluidity of joints
- Promotes long term joint health
- Highly bioavailable natural ingredients
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, or fish
- Contains crustacean shellfish

Joint support for osteoarthritis patients. MSM provides naturally occurring organic sulfur, a necessary for collagen production. Glucosamine helps the body manufacture substances necessary for healthy joints. Chondroitin is a natural extract from beef cartilage, which supports healthy connective tissues.
