

K V L B

KELP, VINEGAR, LECITHIN, B6

- Kelp concentrate contains nutrients that support thyroid health
- Vinegar supports fat burning activity (thermogenesis) and other metabolic functions
- Lecithin helps emulsify fats
- B-6 supports water balance that is often deficient while dieting
- Vegetarian / Vegan formula
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish or fish.

This time tested combination has been around for decades, for weight loss and metabolism support. Combined with a balanced exercise program and healthy diet, including leafy green vegetables and adequate water to flush the system, KVLB supports healthy weight management programs.
