

VEGETARIAN GLUCOSAMINE

J O I N T H E A L T H

- Decades of research show glucosamine's support of joint health
- Regensure® Glucosamine is the only GRAS Glucosamine available
- Supports healthy cartilage, vital for joint health
- Gluten Free and Kosher certified
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish or fish.

Glucosamine is a major building block of connective tissue that combines with collagen to make cartilage - the cushioning between joints.

In years past, all glucosamine was sourced from shellfish. Regensure® Glucosamine is sourced from corn, with common allergens removed (protein molecules). It is the only GRAS (Generally Recognized As Safe) glucosamine hydrochloride available.
