

# GLUCOSE SUPPORT

- Trademarked clinically tested ingredients for a natural approach to normal glucose levels
- GlucoHelp® 18% corosolic acid, shown to maintain healthy blood glucose levels
- ChromeMate® chromium supports normal insulin function
- Citrus bioflavonoids, ginkgo, bilberry support veins and nervous system
- Alpha Lipoic Acid increases antioxidant protection and breaks down sugars for energy production
- Comprehensive formula
- Gluten Free and Vegetarian
- Contains no artificial flavors, colors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, crustacean shellfish or fish.

Diabetes accounts for nearly 20% of all health care expenditures in the USA. 95% of all diabetes cases are caused by just two things: Obesity and lack of physical activity. Our comprehensive combination of nutraceuticals, herbs and minerals assist healthy blood glucose metabolism.

#### Caution on the ingredient Bitter Melon:

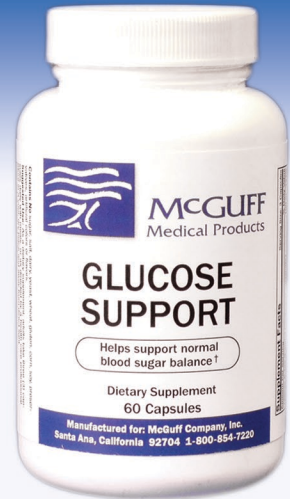

Those taking medication for cholesterol or blood sugar levels should monitor frequently. Avoid during pregnancy. Bitter Melon has been used to promote uterine contractions.

#### PRODUCT SPECIFICATIONS
