

CODAN US Corporation supplies high quality intravenous delivery systems and components to medical facilities throughout North America.

CODAN engineering procedures assure superior product design, safety, reliability and performance. Effective and personal customer service is a top priority at CODAN, and our entire team is committed to the needs and special requirements of each client.

IV Accessories

CODAN IV Accessories are:

- Compatible with luer-lock or luer-slip fittings for secure fit
- Latex free
- Non-DEHP
- Manufactured to ISO Standards
- Usually shipped within one business day of receipt of order

CODAN Care

Special Product Features:

- R-LOCK contains adapter with female and male luer-lock connectors, and incorporated check valve
- SWAN-LOCK® eliminates accidental needle sticks and connects to all IV tubing and luer-lock and luer-slip syringes
- SWAN-LOCK® provides high visibility of fluid path in addition to low priming volume and minimal dead space
- SWAN-LOCK® valve is leak proof due to auto shut-off feature
- Cost Effective

CODAN US Corporation –
